

SPS New Merchant Questionnaire

Owing to more stringent Audit & Regulatory Requirements being enforced by various entities of our Federal and State Government's Banking authorities and NACHA itself, we are now required to provide more detailed information relating to the business activities of our prospective Customers. While the heightened level of this enforcement is 'new', the concept itself is not, and falls well within the 'Know Your Customer' obligations of all participants in the banking system, including SPS as a third party sender of electronic transactions.
